Dustin,

Bob Patton with TCEQ just arrived and I believe Helen, Kendra, and Bob are going to go through these plans to get them approved.

EPA does not have any objections as the company routinely does this work on a commercial basis.

Thanks

Gary Moore

**Subject:** Request for Plan Approval - 2nd 80's Fire Large Vessel and Equipment Decon

Please find the attached Large Vessel and Equipment decon plan for approval.

Until full approvals, and as a result of the emergency nature of this response and to continue response efforts, we request authorization to use this plan on an interim basis.
